What a cracking night the Speak Easy Team put on for us. Simon was an awesome host and led James and Lee on their stories so well, getting some really funny moments but also some really emotional bits as well. Everyone had a great night. I can't wait until the next Speak Easy event at the club!!

Andrew Tuite - Llanharan Rugby Club

"Simon was a pleasure to work with - very well prepared for the events and has a very friendly persona, his events were professional, well organised and structured. I look forward to working with him again in the future!"

Shaun Edwards - Ex Wales defence coach, 5x Grand Slam winner & current French National Coach

"On behalf of Torfaen Leisure Trust, we would like to say a huge thanks to Simon from Speakeasy Club. Our recent Q&A was a huge success. Simon is a natural! Authentic and passionate and the feedback for those attending was exceptional. We look forward to further events. Huge thanks Simon! You have a brilliant career ahead of you! From all at TLT"

Angharad Collins - CEO Torfaen Leisure Trust

I just wanted to say that the evening you hosted with Shane Williams and Lee Byrne far outweighed our expectations of the night. Your hosting was brilliant, and everyone I knew in the evening gave massive positive comments on how much they enjoyed the evening. I must say that your control of the evening flowed, and it felt like the conversation flowed so naturally, which is meant as a massive compliment to you as you masterfully controlled the evening between Shane and Lee and the guests. The preparation before the night was brilliant, and Lydia was excellent. Also, the photographer was brilliant as well. There was no negative feedback from anyone on the night and only positives. We would not hesitate to work with you again, hopefully soon. Thank you so much for such a professional evening.

"Fantastic evening at Llandaff RFC with Shaun Edwards sharing his life experiences and motivations - delivered with honest talking and plenty of humour. A unique insight into the mind of the finest Rugby league players of his era and one of the most successful Rugby Union coaches of the last 15 years. The whole evening was organised and delivered expertly by Simon and Lydia from Speakeasy Club."

Endaff Williams - Llandaff RFC Club Secretary

"The Old Penarthians RFC committee and members would like to put on record their appreciation for the way Simon ran the hugely successful Chairman's lunch. From start to finish it was professional, well thought out and totally inclusive. Having held and attended many similar events in the past, it was clear that the preparation and research ahead of the Q&A with both Shaun Edwards & Paul Merson was extensive, and as a result it was clear that not only the attendees but Shaun & Paul themselves fully enjoyed the experience. This no doubt contributed to the significant amount of money that the club took behind the bar that day!"

Stephen Clarke - Chairman Old Penarthians RFC

I just want to thank Simon and Lydia for putting on 2 fantastic evenings for myself and the boys. The professionalism and attention to detail was top class. Speakeasy didn't just bring rugby tales but also touched upon more personal issues that the public would not normally hear about. Any clubs looking for a dinner I highly recommend Speakeasy.

Lee Byrne

Really enjoyed working with Speakeasy and Simon, good fun and good banter. Well orchestrated by Simon who made it a really enjoyable experience. Loved the jersey idea too

James Hook

Simon was a fantastic host at our annual Tennis Wales Awards in Cardiff, and St David's Day celebrations in London.

His event management & hosting through Speakeasy Club were superb, engaging with special guests, politicians, sponsors and partners, delivering events that we're really proud to have collaborated on.
